Blessings from the Desk

It is with immense pleasure that I extend my heartfelt congratulations to the editors and contributors of HMV News on the release of its 53rd issue. As we embark on the new academic session 2024-25, I welcome you all with a renewed sense of hope and enthusiasm. This year holds the promise of new opportunities, fresh challenges, and the boundless potential that lies within each one of you. When passion drives our hearts and vision guides our minds, no obstacle can hinder our progress.

The introduction of the National Education Policy (NEP) marks a significant and positive transformation in our educational landscape. This policy brings forward innovative changes that will reshape our approach to teaching and learning, fostering a more holistic and inclusive education system.

In this era of rapid development, it is crucial for us to adopt and promote sustainable practices to protect our environment. Our actions today will determine the future health of our planet, and it is our responsibility to lead by example in preserving and nurturing the natural world around us.

I congratulate everyone on their glorious achievements and urge you all to continue striving for excellence. Together, let us embrace the new academic year with determination and a shared commitment to making a positive impact in our community and beyond.

Best wishes for a successful and fulfilling year ahead.

Prof. Dr. (Mrs.) Ajay Sareen

Principal

From the Editors

It is with immense joy that we present to you the 53rd issue of our HMV News. This milestone fills us with pride as we see our relentless efforts and creative visions culminate in this edition. We are honored to contribute to the grand narrative of our institution's success. HMV has made a remarkable impact, etching an everlasting mark in the realm of education, and we are privileged to be a part of this legendary journey.

Each issue brings us great satisfaction as we showcase the remarkable achievements of our students and faculty. Their accomplishments reflect their tremendous potential and capabilities, uplifting their spirits and inspiring others to follow in their footsteps. The making of HMV News is a testament to the collective efforts of our dedicated team of editors, designers and numerous behind-the-scenes contributors.

We are profoundly grateful to our esteemed Principal, Prof. Dr. (Mrs.) Ajay Sareen, whose dynamic leadership has propelled HMV to extraordinary heights. Her exemplary vision and unwavering guidance continue to inspire us all. We also extend heartfelt thanks to Mrs. Ritu Bajaj, In Charge Publications for her valuable inputs.

- Ms. Lovleen Kaur Lehal
- Dr. Deepti Dhir
- Mr. Parminder Singh

"Prestigious Arjuna Award Bestowed upon HMV's Para Canoeing Sensation Prachi Yadav"

In a luminous celebration of victory, Hans Raj Mahila Maha Vidyalaya proudly unveils the remarkable success – the prestigious Arjuna Award conferred upon the gifted para canoeist, Km.

Prachi Yadav. With a heart brimming with pride, Principal Prof. Dr. (Mrs.) Ajay Sareen extended her heartfelt congratulations to Prachi Yadav for achieving this monumental milestone. Prof. Sareen applauded her for her exceptional dedication, resilience, and indomitable spirit that have set her apart on the path to excellence. Dr. Sareen also extended her thanks and felicitations to

DAVCMC, New Delhi, Local Advisory Committee, faculty, staff and students. Prachi Yadav's recent triumphs at the Asian Para Games-2023 in China, where she clinched Gold and Silver medals in the Para Canoeing event, further underscore her prowess on the international stage. The Sports Authority of India, recognizing Prachi's outstanding achievements, joined in the chorus of accolades, extending their congratulations through their official Facebook Page. The triumphs of Prachi Yadav serve as a beacon of inspiration for aspiring Sports Women, resonating with HMV's commitment to nurturing talent and fostering excellence in the realm of sports. President DAVCMC Padamshree Dr. Punam Suri and Chairman Local Advisory Committee Justice (Retd.) Sh. N.K. Sud also congratulated her on her success.

HMV's Pivotal Contribution Leads GNDU to 25th MAKA Trophy Victory

In a historic achievement, Guru Nanak Dev University, Amritsar has clinched the prestigious

MAKA Trophy for the 25th time, cementing its position as a powerhouse in the world of sports. Vice-Chancellor, Dr. Jaspal Singh, was honored to receive the trophy from the esteemed President, Smt. Droupadi Murmu, marking a momentous occasion for the university. At the heart of this remarkable success stands the unwavering support and unparalleled dedication of the sports enthusiasts at Hans Raj Mahila Maha Vidyalaya, whose collective efforts have propelled GNDU to the pinnacle of sporting excellence by contributing maximum points. HMV, known as 'Nursery of Olympians,' with its rich history and commitment

to holistic development, has consistently demonstrated a deep-seated passion for nurturing athletic talent. The institution's sports programme, under the guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen, dedicated coaches and mentors, has been instrumental in honing the skills of the athletes, contributing significantly to their stellar performances on the International and National stage. Speaking about HMV's role in this remarkable achievement, Dr. Jaspal Singh, the Vice-Chancellor of GNDU, expressed his gratitude, stating, "HMV has been a cornerstone in our journey to success. The commitment and hard work of the athletes, coupled with the support and infrastructure provided by HMV, have been pivotal in achieving this milestone." The administration and faculty at HMV extend their heartfelt congratulations to GNDU on this historic win.

The Knowledge Review declares HMV as the best destination to study Psychology and Commerce -2024 at the national level

Continuing its legacy of attaining greater heights in the field of education, HMV has successfully added another feather in its cap. PG Department of Commerce and Management has been honoured by the Knowledge Review Magazine in an annual listing of the most excellent institute to study commerce, 2024. Furthermore, the PG department of Psychology has also registered its compelling presence as the best department at the national level. The elated and jubilant HMV family congratulated Principal Dr. Sareen for the glorious achievement. Principal Prof. Dr. (Mrs.) Ajay Sareen said that the accolade comes as no surprise to the stakeholders of HMV as the institute has gloriously established itself as a bastion of educational innovation and intellectual growth. With state-of-the-art facilities and a dynamic curriculum designed to meet the demands of the modern workforce, the college has consistently raised the bar for educational standards in the region. The elated principal congratulated Dr. Ashmeen Kaur, IQAC Coordinator and Head of PG Department of Psychology, Mrs. Meenu Kohli, Head of the PG Department of Commerce and Management, project Coordinator Dr. Anjana Bhatia and all the faculty members, staff, students and stake holders. She said that HMV feels blessed to work under the inspiring directions of President DAVCMC Padamshri Dr. Punam Suri, Director Higher Education (Retd.) IAS Sh. Shiv Raman Gaur and Vice President DAVCMC and Chairman Local Advisory Committee Justice (Retd.) Sh. N.K. Sud. On the occasion, Sh. Ajay Kumar Goswami, Secretary, DAVCMC, Dr. Pawan Gupta, Sh. S.P. Sehdev, Dr. Sushma Chawla, Dr. Sudhir Sharma, Sh. Atul Mayor and Mr. Surjit Lal were present.

Workshops/Seminars

11/02/2024

HMV Organized a Seminar on Cancer Awareness

The Red Cross Society and R. Venkataraman Chemical Society organized a Seminar on “Cancer Awareness” on the occasion of Cancer Day. The coordinator of the Seminar were Mrs. Deepshikha and Mrs. Pawan Kumari. The Resource Person of the Seminar was Dr. Naveen Nanda, Senior Consultant Radiation Oncology. In his address he gave information about the symptoms of cancer and its medication. He said that we can win over this disease with caution and awareness. He told students that with the help of Yoga and Meditation, we can keep ourselves for from such diseases. He encouraged the students to adopt qualities of forgiveness, thankfulness and unconditional love in their life so that they can lead a happy life. Principal, Prof. Dr. (Mrs.) Ajay Sareen thanked Dr. Naveen for giving such useful information. Mrs. Deepshikha presented vote of thanks.

15/02/2024

Department of Design of HMV Conducted One Day Interactive Session

Department of Design conducted one day interactive session on Role of **Prehistoric Period in the World of Design** by Art Historian Ms. Nishita as Resource Person. Various aspects of Pre historic Period and its role in the Design world was discussed in detail. Students and faculty attended the session and discussed various facts of Prehistoric Period. Principal Prof. Dr. (Mrs). Ajay Sareen appreciated the efforts of students with words of enthusiasm and blessings. Head of department Dr. Rakhi Mehta concluded the session with a quiz and vote of thanks.

18/02/2024

Workshop on Overview of Clinical Internship

Freudian Psychological Society of PG Department of Psychology organized a one day workshop on overview of Clinical Internship. The Resource persons were two budding Psychologist, Ms. Shreya Dogra and Mrs. Yashika Jain. They were welcomed by Dr. Ashmeen Kaur, Head of PG Department of Psychology. Ms. Shreya Dogra gave an introduction of clinical psychology and importance of clinical psychology. She said that students should do internship in clinical psychology so that they get practical exposure and learn how to deal with clients. She also insisted that anyone can be a Psychologist but not everyone can be a good Psychologist. Mrs. Yashika elaborated on the skills of clinical psychologist. She also told students about the scope of clinical psychology. She shared about her startup which is called “Together we heal. Principal Dr. Sareen appreciated this initiative and emphasized the importance of such workshops in today’s time.

19/02/2024

Seminar on Water Conservation

CV Raman Science Society organized One day Seminar on Water Conservation in which Mr. Vinod Milana, Area Coordinator, Rajasthan, Hariawal Punjab was the Resource Person. Mrs. Saloni Sharma (Incharge, CV Raman Science Society), Mrs. Deepshikha (Incharge, Science Faculty) along with other faculty members welcomed the guests with a planter. Mr Vinod Milana informed the students about the importance of water conservation in our lives. He made students aware about the minor changes that they can bring in their lives to conserve water. The resource person discussed about the steps taken by their department for rain water harvesting in their native place. He also put light on the initiatives taken by him to create a model for rain water harvesting in a rural area and afterwards his success at installation place which was also appreciated by Mr. Kejriwal, CM of Delhi. He emphasized to plant more and more trees even indoor plants to receive fresh air all the time. He educated the students to throw garbage in the dustbins, avoid using plastic bags etc. He concluded his lecture with words that the government of every country must implement strict laws for industries, those are releasing the toxic wastes for proper waste management. Around 110 students of science stream attended the event.

22/02/2024

Workshop on Artistic Pour

Department of Fine Arts organized a workshop for students on the theme 'Artistic Pour'. On this occasion, Ms. Chahat Mahajan, HMV alumni and free lance artist was invited to share her expertise with students and encouraged them to do more creative works. Students from different departments attended it. Principal Prof. Dr. (Mrs.) Ajay Sareen appreciated the efforts of the staff members and students of Fine Arts Dept. Dr. Neeru Bharti Sharma, Dr. Shailender Kumar, Miss. Chahat, Miss. Twinkle and Miss. Manpreet formed a part of the workshop.

23/02/2024

Workshop on Potli Massage

PG Department of Cosmetology organized two days' workshop of Potli Massage and Hot stone massage therapy by massage therapist, Mrs. Jatinder kaur. The resource person gave basic knowledge of massage techniques and various types of massage therapies. She gave proper demonstration of Potli massage and hot stone massage therapy along with its product knowledge and its endless benefits. She encouraged not to use chemicals and market products for skin, hair and body as she motivated to use homemade oils and kitchen ingredients for skin, hair and body. Principal Prof. Dr. (Mrs.) Ajay Sareen welcomed the guest. HOD Mukti Arora, Ms. Trisha Sharma, Ms. Navjot and Ms. Manveer Kaur, were also present.

HMV Successfully Hosted Art Eco 2024 Workshop

Hans Raj Mahila Maha Vidyalaya's Visual and Performing Arts and Sciences departments successfully concluded the two-day DBT-sponsored Interdisciplinary International Workshop on the Science of Sustainability, titled "Art Eco 2024." This significant event was held in collaboration with the esteemed Shryansy International Art and Culture organization, India, under the invaluable guidance from Principal Prof. Dr. (Mrs.) Ajay Sareen. The workshop, convened by Dean Academics, Dr. Seema Marwaha, Dr. Rakhi Mehta, Faculty Head of Skilled Courses and Dean, Innovation and Research, Dr. Anjana Bhatia, provided a platform for artists to showcase and demonstrate their live artwork in the lush green lawn, surrounded by enthusiastic students.

This immersive experience allowed students to glean insights from the techniques employed by the artists, incorporating them into their own artistic endeavours. Distinguished guests who graced the occasion, included Shryansy Singh Manu, Director of Shryansy International Art and Culture organization; Sirotina Natalia, Director of Tver Art College, Russia; Pygarkina Evegency Anotolievna; Prof. Associate Sandin-Ooi Galina; Zalenia Nadezhda; Selegneva Lidiia; and Indian Artist Kavita Hastir. Principal Dr. Sareen extended a warm welcome to the guests and honored them for their invaluable contributions to the event. She attributed this workshop as a gesture to work together on a global front and realise the dream of women empowerment. The guests appreciated the efforts put forth by HMV and expressed their wish to work in unison with HMV to preserve traditions and culture of their countries. Two MoUs were signed on the occasion to work in collaboration with each other. The workshop was attended by around 200 students from 20 different colleges of the region. Research Scholars from Panjab University Chandigarh, CT University Shahkot, Guru Kashi University, Talwandi Sabo, M.K. College of Education, Akal Degree College for Women, Dashmesh Girls College, Mukerian attended the workshop.

02/03/2024

Workshop on Mastering Emotional Intelligence

Freudian Psychological Society organised a one day workshop on "Mastering Emotional Intelligence". The resource person was a life coach and an esteemed author Mr. Shivam. He was welcomed by Dr. Ashmeen Kaur, Head P.G. department of Psychology with a planter and a painting. He started the workshop by giving an introduction about Emotional Intelligence and told the students how they can master it. He discussed the relevance of understanding and managing emotions. He said that the emotion of fear which we consider to be

an irrelevant emotion is important in certain situations. He also explained the concept of fight and flight with emphasis on Darwin's theory of evolution. He also explained the art of over thinking. He ended the session with an interactive question answer round. Principal Prof. Dr. Ajay Sareen appreciated this initiative and congratulated the Department of Psychology. Ms. Ayushi (B.A. sem 6) conducted the stage and gave the formal vote of thanks. Ms. Shruti Bidani Mrs. Anjali Nandan and Ms. Nidhi Sharma also participated in the workshop.

Seminar on Indigenous Cancer Care Equipments for Societal Benefits

PG Department of Physics and Department of Zoology organized a seminar on Indigenous Cancer Care Equipments for Societal Benefits under the aegis of IQAC in collaboration with IAPT RC-02 under DBT Star Scheme, Govt. of India. The

resource person was Sardar Manjit Singh, Ex-Director of Design, Manufacturing and Automation Group, BARC Mumbai. Principal, Prof. Dr. Mrs. Ajay Sareen, Dean Academics and Head of Zoology Department-Dr. Seema Marwaha, Mrs. Saloni Sharma-Head of PG department of Physics, IQAC Co-ordinator Dr. Ashmeen Kaur, Faculty Incharge Sciences-Mrs. Deepshikha and Executive member IAPT RC-02-Mr. Sushil Kumar gave floral welcome to the guest. Dean Innovation and Head of PG Department of Botany Dr. Anjana Bhatia, introduced the resource

person to the students. S. Manjit Singh explained about the Indigenous Teletherapy Cobalt Machine-Bhabhatron I and II which were developed by BARC for cancer treatment in the year 2005 and 2006, respectively. This Indigenously developed Cancer care equipment was much advanced than the imported machines in terms of low power consumption, advanced battery backup to overcome the power cuts especially in rural areas, enhanced safety by automatic and full collimator closure during emergency, asymmetric collimator with 60 tungsten leaves which provides improved conformity and possibility to adjust to variety of shapes and sizes of desired organ in focus and remote monitoring of machine. He further added that this Indigenous machine has reduced the cost for establishing radiotherapy facility since most of the components/spares were made in India. All students of B.Sc. Medical, Non-Medical and C.Sc. and all the science faculty members attended the seminar.

04/05/2024

Workshop on “Diet and Ayurveda”

The IQAC and Unnat Bharat Team organized a workshop on “Diet and Ayurveda” under the able guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen. The Resource Person was Dr. Nishu Raina, Deputy Medical Superintendent, Associate Prof. Kayachakre, Dayanand Ayurvedic College, Jalandhar. Dr. Nishu Raina told the faculty members about Aahar Kranti in detail. She made them aware about taking appropriate and healthy diet. She said that by incorporating minor changes in our dietary habits, we can save ourselves from diseases,

our wrong dietary habits affect our health. Principal Prof. Dr. (Mrs. Ajay Sareen congratulated IQAC Coordinator Dr. Ashmeen Kaur, Dean Academics Dr. Seema Marwaha, Unnat Bharat Abhiyan Advisor Dr. Anjana Bhatia and Incharge Dr. Meenkashi Duggal Mehta for successfully organizing the workshop. She said that such workshops enlighten us about our diet and health issues caused by taking wrong diet.

14/03/2024

Workshop on Self-Defence

Hans Raj Mahila Maha Vidyalaya organized a one day workshop on Self Defence dedicated to International Women Day. This workshop was organized in collaboration with Women Helpers Organization, Jalandhar. Students of Planning Forum, NSS, Dynamic Growth Society, NCC, Red Ribbon Club and Sports participated in it. In this workshop around 200 students participated.

27/03/2024

Workshop on MATLAB Tools and it's Applications

The PG Department of Mathematics organized One day Workshop on “Matlab Tools and It's Applications” under DBT Star Scheme of Colleges. The overall Incharge was Head of Department of Mathematics Dr. Gagandeep. The first resource person for the workshop was Dr. Jitendra Kumar, Professor and Head, Department of Mathematics, IIT Ropar. Prof. Jitendra Kumar gave the lecture on the topic “MATLAB Tools and its Applications” which is a high performance software package for computing and he provided a hands on practical information on the software. Principal Prof. Dr. (Mrs.) Ajay Sareen said that every student of maths should know the application of software. Mrs. Navroop Head of Punjabi Department & Dean Youth Welfare also congratulated Mathematics department for the workshop. Students of B.Sc Sem II, IV, VI and M.Sc (Mathematics) participated in this workshop with full enthusiasm. The faculty members of Mathematics Department Dr. Deepali, Dr. Gaurav, Ms. Charanjit and Mrs. Geeta were also present in this workshop.

28/03/2024

International Webinar on “An amazing World of Scientific Illustrations: A Journey from Research to Entrepreneurship”

PG Department of Bioinformatics and Biotechnology organized an International Webinar on “An Amazing World of Scientific Illustrations: A Journey from Research to Entrepreneurship” under the aegis of DBT Star Scheme, Govt. of India. Dr. Radhika Patnale, Director Sci-illustrate, Founder and CEO, Endosymbiont, Munich Germany was the resource person of the webinar. Dr. Radhika beautifully explained how the fields of Science and Art be combined to explain a scientific idea in a much simpler and interesting manner for a wide range of audience. She motivated the participants with her journey from a neuroscientist to an entrepreneur in the field of science communication. She also made students aware of excellent career opportunities in the field of science communication. More than 100 participants joined this webinar from different institutes across India and other countries. Dr. Anjana Bhatia, Dean Research & Innovations introduced the resource person. Dr. Harpreet Singh Head, Department of Bioinformatics gave concept note on webinar. Dr. Jitender Head,

Department of Biotechnology gave vote of thanks at the end of this webinar. Mrs. Purnima, Mr. Sumit, Mrs. Ramandeep, Dr. Sakshi, Dr. Shuchi, Ms. Harpreet, Mr. Ravi faculty members of various science departments attended the webinar.

01/04/2024

Workshop on Fine Tuning Foundations.

Under the able guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen and the aegis of IQAC a one day workshop organised on "Fine Tuning Foundations" for the members of non teaching staff of HMV. The resource person was Mr. Jatinder Pal Singh, a renowned Psychologist, Founder of Happiness Clinic. He was welcomed by Principal Dr. Mrs Ajay Sareen and IQAC Coordinator Dr. Ashmeen Kaur with a planter. He started the workshop by explaining the topic of not to just survive but to thrive in life. He gave an important take away to work on relationships at workspace and even told about the importance of the pillars of a relationship to give a good tune to life. He emphasised on the leadership qualities like inclusion which plays a crucial role in the lives of every person. The session was very informative and interactive and he made the staff do a lot of activities. First activity was of introspection in which he told the staff members to write down their three negatives and three positives and then he gave a chance to them to speak up of what they wrote. He also told about how one should manage anger and should practice few techniques of anger management in any life situation. He ended the session with a mindfulness exercise by telling everyone to shut their eyes and imagine the radiance of Supreme power around them while focusing on the breathing exercise. Principal Prof. Dr. Ajay Sareen appreciated this initiative and congratulated the IQAC Coordinator Dr. Ashmeen Kaur for the efforts. The formal vote of thanks was given by Mr. Ravi Maini, Superintendent, Admin and the non teaching staff enthusiastically participated in the workshop.

04/04/2024

Workshop on Therapy in action

Freudian Psychological Society organised a one day workshop on "Therapy in action". The Resource Person was Ms. Harshita Paul. She was welcomed by Dr. Ashmeen Kaur, Head P.G. department of Psychology with a planter and a painting. She started the workshop by telling about an important rule of therapy that is 'there is nothing right, there is nothing wrong'. Session was very interactive and she made students do a lot of activities. First activity was of Introspection in which she told students to make a drawing of what is your purpose behind psychology and then she interpreted some of those drawings. Then she did another activity in which students have to add an adjective to the initial letters of their name. Apart from these activities she said that you have to be a great listener in your therapy sessions. Then she explained the difference between hearing and listening. She also added that if you listen and validate your client it will take you a long way. Also, you have to validate your client's feelings objectively and not from your perspective and personal biases. She also told about some of the questioning techniques like Socratic questioning, cost benefit analysis, down arrow technique, breathing technique and ABC model of CBT.

09/04/2024

Workshop on Implementing Cognitive Behavioral Therapy: Practical Strategies for Positive Change

Freudian Psychological Society organised a one day workshop on "Implementing Cognitive Behavioral Therapy: Practical Strategies for Positive Change". The resource person was Dr. Radhika Gupta. She was welcomed by Dr. Ashmeen Kaur, Head P.G. department of Psychology with a planter and a painting. She started the workshop by telling about anger management techniques using Cognitive Behavioral Therapy. She told that CBT focuses on changing the automatic negative thoughts. We should not have negative thought patterns in which we try to control our emotions instead we should manage our emotions. To manage them we can use a grounding technique in which we activate our five senses. We should also focus on our breathing patterns so, that more and more oxygen reaches our brain. She also highlighted the patterns of over thinking among adolescents. Ms. Priyanshu (M voc. sem 2) conducted the stage and Harsimrat (M voc. sem 2) gave the formal vote of thanks.

Workshop on "Aahaar Kranti: Uttam Aahaar-Uttam Vichar" attended by Unnat Bharat Abhiyan Team of HMV

The Unnat Bharat Abhiyan team attended a workshop on "Aahaar Kranti: Uttam Aahaar-Uttam Vichar" organized by Unnat Bharat Cell of NITTTR, Chandigarh. While giving a brief introduction about the workshop, Prof. U.N. Roy, Head, Rural Development Department stated that it aims at creating awareness about the use of traditional food and nutritional value of millets as GOI launched the initiative Aahaar Kranti to meet the UN Sustainable Development Goal 3. Dr. Vishita Khanna from Anand Agriculture University, Gujrat talked about prospects of traditional food business and startups. She discussed about some start-ups such as Swati Snacks, Go Desi, Dadi's Jeera Khakra etc in the traditional food industry. Dr. Pummy Kumari from Chaudhary Charan Singh University, Hissar discussed about Millets: Climate resilient grains cultivation and improvement. She highlighted the benefits of millets since traditional times and the health benefits associated with the same. Dr. Asha Kwatra from the Department of Food and nutrition, CCS, Hissar explained about millets and their nutritional value for better human health. She also focused on the preservative value of millets. The workshop was attended by members of Unnat Bharat Abhiyan Team comprising Dr. Anjana Bhatia, Dr. Urvashi, Dr. Minakshi Duggal Mehta, Mrs. Alka Sharma and 51 students.

28/04/2024

Workshop Cum Hands on Training in Medical Lab Techniques

Zoology Department in collaboration with Synergy Pathology Lab., Jalandhar organized "Workshop cum Hands on Training on Medical Lab Techniques" under the inspiring guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen. The workshop was aimed to enrich the students with the skills of performing various medical Techniques with special emphasis on Histopathology. The resource person of the workshop, Mr. Jagjiwan (Senior Lab. Technician) was presented green welcome by Dr. Seema Marwaha, Dean Academics and Head of Zoology Department. Principal, Prof. Dr. (Mrs.) Ajay Sareen congratulated the organizers. The students enthusiastically participated in the workshop and received hands on training

on the methods of collection of blood samples, the procedure of sample collection, block preparation, cutting of thin section using microtome, staining and preparation of permanent slides for histological studies. Additionally, Mr. Jagjiwan explained in detail the possible errors that may occur and precautions need to be taken during performing the various Laboratory tests. Mr. Sachin assisted in making all arrangements for the event.

12/05/2024

Workshop on “Design Process and Prototypes in Design World”

One day workshop on “Design Process and Prototypes in Design World” was organized by

Department of Design. Resource Person was Fashion Designer Ms. Simranjeet. The design process and its implementation on the product was the emphasis of the workshop. Various sampling techniques and use of Technology in design industry and creating prototypes for consumers was discussed and explained. Head of

Department Dr. Rakhi Mehta extended the workshop with Quiz to make it more interesting and to learn the advancement in the technology use in world of design. Design students and faculty members Ms. Ritika, Ms. Manika, and Ms. Ravneet attended the fruitful workshop and learnt the various aspects of Design Process and Prototypes of Design world. Principal Prof. Dr. (Mrs.) Ajay Sareen appreciated the efforts of the department and said that the knowledge of latest technology according to industry needs is given to the students at HMV which is the need of the hour.

13/05/2024

HMV Organized Awareness Programme on ‘Segregation of Domestic Waste’

An awareness Programme on ‘Segregation of Domestic Waste’ was organized by Unnat Bharat Abhiyan team. Dr. Minakshi Duggal Mehta, Incharge Unnat Bharat Abhiyan Team explained that there are different types of domestic waste and it is very important to ensure that these are disposed off in a proper way. Ms. Garima, (Student, M.Com) Office Bearer, UBA explained the concept of different colour dustbins for the disposal of waste i.e. dry waste, wet waste, hazardous waste, and e-waste. The

team also distributed dustbins of different colours. A demonstration of disposal of different types of wastes was also given. Principal Prof. Dr. (Mrs.) Ajay Sareen appreciated the efforts of UBA team and said that providing awareness to the people about waste management is the need of the hour.

19/05/2024

Awareness Programme for Paddy Straw Burning by Unnat Bharat Abhiyan Team

The Unnat Bharat Abhiyan team organised an awareness programme in Gillan Village regarding burning Paddy Straw in the field. Dr. Minakshi Duggal Mehta, Incharge UBA addressed the villagers and explained that each one of us play the role of a responsible citizen and work for the safety of environment. The harmful effects of burning paddy straw such as pollution of environment,

reducing the fertility of land were also explained to the villagers. They were also told that paddy straw can be used as fertilizer instead of burning. Dr. Minakshi Duggal Mehta expressed gratitude to Mrs. Balwinder Kaur, Sarpanch Gillan Village for providing the opportunity to interact with the villagers. Prof. Dr. (Mrs.) Ajay Sareen appreciated the efforts of team and said such initiatives are the need of the hour to achieve the objective of clean and green environment and hence contribute for the growth of the nation.

21/05/2024

Expert Talk on Biological Hydrogen Production from Organic wastes: Bioprocess Engineering and Biorefinery Approaches

CV Raman Science Society organized Expert talk on “Biological Hydrogen Production from Organic Wastes: Bioprocess Engineering and Biorefinery approaches” under DBT Star Scheme, Govt. of India. The resource person was Dr. Nitai Basak, Associate Professor, Department of Biotechnology, Dr. B. R. Ambedkar, NIT, Jalandhar. Prof. Dr. Mrs. Ajay Sareen, Principal, Dr. Seema Marwaha, Dean Academics and Head of

Zoology Department, Mrs. Deepshikha, Incharge Faculty of Sciences and Mrs. Saloni Sharma, Incharge of CV Raman Science Society gave floral welcome to the guest. The event aimed to inspire and empower individuals to unleash their potential, overcome obstacles, and achieve their goals. Dr. Nitai Basak emphasized the ethics, academic integrity and honesty in research and publication. Motivating the Science students, he further stressed on the importance of knowledge of Mathematics, Chemistry, Physics and Biology to progress in research and develop interdisciplinary approach. Dr. Basak detailed about the Hydrogen production through Purple Sulfur Bacteria and associated challenges. He explained the various concepts with life examples and emphasized on updating the knowledge to avoid being outdated. Students actively participated in the lecture by interacting with Dr. Basak.

Institution Innovation Council and Eco Club of HMV Celebrated International Biodiversity Day and World Environment Day

The Institution Innovation Council and Eco Club, in collaboration with the Punjab Biodiversity Board, PSCST, and NBA, celebrated International Biodiversity Day and World Environment Day. An expert talk dedicated to the Environment Education Programme of the Ministry of Environment, Forest and Climate Change (MoEFCC) was delivered by Dr. Gurharminder Singh, Principal Scientific Officer of the Punjab Biodiversity Board and State Nodal Officer of the Tandarust Punjab Programme, a flagship initiative of the Government of Punjab. Dr. Gurharminder Singh was warmly

welcomed by Dr. Anjana Bhatia, Dean, Research and Innovations. Dr. Gurharminder Singh's insightful presentation focused on the Kuming-Montreal Global Biodiversity Framework, addressing critical topics such as climate vulnerabilities in Punjab, accelerating action on land restoration, combating desertification, enhancing drought resilience, and promoting healthy ecosystems and climate change mitigation. The virtual event was attended by more than 100 students accompanied by their teachers. Mrs. Arvinder Kaur, Coordinator of the School, extended a heartfelt vote of thanks to the esteemed speaker.

29/05/2024

HMV organised cloth bag making workshop under vocational training

Unnat Bharat team in collaboration with Ajit Singh Foundation organised a cloth bag making workshop in Gillan village under Green Sparrow Project. This event was organised on the occasion of International Biodiversity Day and World Environment Day courtesy Punjab Biodiversity Board, PSST and NBA. A 3-day vocational training workshop was organised in Gillan village in which women were taught to make cloth bags. The aim of this workshop was to make the women of the village self-reliant so that they can earn a livelihood while managing waste. Ms. Ramanpreet Kaur from Ajit Singh Foundation and Mrs. Navneeta from the Fashion Designing Department were present as resource persons. The women of the village were given hands-on training in making bags. Mrs. Navneeta informed the women about various ways of decorating bags like painting, patch work, embroidery etc. Dr. Meenakshi Duggal Mehta, Incharge of Unnat Bharat Team, thanked all the women including the Sarpanch of the village Mrs. Balwinder Kaur. Principal Prof. Dr. (Mrs.) Ajay Sareen appreciated the UBA team members and Environmental Education Program Coordinator Dr. Anjana Bhatia. She thanked the Punjab Biodiversity Board and Punjab State Council for Science and Technology.

05/06/2024

One Day Seminar cum Workshop on Limnological investigations with special reference to Plankton Diversity

Zoology Department organized 'One Day Seminar cum Workshop on Limnological investigations with special reference to Plankton Diversity'. The Resource Person of the workshop was Dr. Rajinder Jindal, Former Chairperson of Environmental Sciences and Professor, Dept. of Zoology, Panjab University, Chandigarh. The workshop started with the green welcome of the guest with a planter presented by Dr. Seema Marwaha, Dean Academics and Head of Zoology Department. Dr. Marwaha introduced the guest to the students and laid emphasis on the importance of seminars and workshops provide a platform for the students to interact with the experts and develop the scientific aptitude. Dr. Jindal, a Limnologist with expertise in water pollution and bio-monitoring, emphasised about the importance of water quality parameters in determining the diversity of phytoplankton in any aquatic ecosystem. He explained the various methods of parameters to analyse water quality such as

Biological Oxygen Demand, Dissolved Oxygen (using DO meter), pH (using pH meter), water hardness, alkalinity etc. Further, Dr. Jindal elaborated the methods of identification of various planktons which acts as water quality indicators and gave Hands on Training on the correct way of collecting planktons from Pond water, preparation of slide and viewing under the microscope to identify them. Students of B.Sc. (Medical) and B.Sc. BT enthusiastically participated in the workshop and gave encouraging feedback to organize more workshops in future. Principal, Prof. Dr. (Mrs.) Ajay Sareen inspired the students to take part in such workshops in order to gain practical training and a deeper understanding of the subject. Dr. Sakshi Verma, presented the vote of thanks.

06/06/2024

Interactive Session Organized at HMV

The Staff Welfare Society organized an Interactive Session for faculty and staff by officials of Postal Department and HDFC Bank. The topic of the session was “Saving Schemes”. Principal Prof. Dr. (Mrs.) Ajay Sareen congratulated the Head of the Department Mrs. Meenu Kohli, faculty members and students for this achievement. Mrs. Binoo Gupta and Dr. Seema Khanna were also present on this occasion.

31/01/2024

Harmony with Guitar Course launched by HMV

The HMV Skilled Courses Hub organized a Demo Class of “Harmony with Guitar”. The Resource Person was Mr. Dhiraj Takhi (Professional Guitarist). HMV Skilled Courses Hub Incharge Mrs. Binoo Gupta said told about launching a professional course of Guitar by HMV Skilled Courses Hub. Principal Prof. Dr. (Mrs.) Ajay Sareen said that now a days empowering our youth with all types of skills is very necessary. This course is a

step forward in achieving this goal. She congratulated Mrs. Binoo Gupta and Mrs. Amanpreet Kaur for taking this initiative.

01/02/2024

HMV to organize Two Week Placement Fair

The Placement Cell inaugurated 2 week Placement Fair starting from 1st February, 2024 under the able guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen. During the first day, a virtual Pre-Placement talk of Concentrix was organized. Resource Person was Mr. Vishal Kumar. He told the students about importance of employment and told them about the profile of his company. He told about the various qualities to be possessed by the candidates for getting job in Concentrix. He told them about the company profile, the job role, job description, selection process and the salary package offered. Principal Prof. Dr. (Mrs.) Ajay Sareen said that it is a great initiative of Placement Cell. Placement Officer Mr. Jagjeet Bhatia told that 18⁺ companies visited the campus with more than 300 job openings.

05/02/2024

Second Day of Pre-Placement Talk

Mr. Jagjit Bhatia, the Placement Officer welcomed the resource persons Mr. Abhishek Kumar, Mr. Sankalp and Mr. Akash Kumar from Nasscom; Mr. Kartik Bhardwaj from CISCO; Mr. Santhosh Rebello from Salesforce with the formal words. The seminar commenced with Mr. Abhishek Kumar giving the brief introduction of Nasscom - Transforming the Tech Industry in India. Mr. Sankalp continued the talk by giving the importance of Nasscom platform as digital talent has become critical for India. The session was taken over by Mr. Santhosh from Salesforce through the virtual meet where he introduced the gathering with the "Salesforce - The Customer Company". He also described the various SF certified programs and courses on NASSCOM Future Skills Prime. Mr. Kartik Bhardwaj from CISCO laid emphasis on Cyber Security and introduced Cyber Security as one the crucial job opportunities in this digital world.

16/02/2024

8 Students of HMV cleared CA Foundation Exam

Eight students brought laurels to the institution by clearing CA Foundation Exam, December, 2023 in the first attempt. The students of B.Com I Komaldeep Kaur Chhabra, Ekta Gupta, Harpreet Kaur, Prabhnoor Kaur, Aarushi Sharma, Eshita Goyal, Sakshi and Anhad Preet Kaur cleared exam with flying colours. Out of these four students had done coaching of CA Foundation Classes in the campus of HMV only. Their coaching classes were taken by CA Rashmi Kathapl, CA Nishu Arora and Mr. Rajat Taneja. Principal Prof. Dr. (Mrs.) Ajay Sareen congratulated the Head of the Department Mrs. Meenu Kohli, Dr. Seema Khanna (Incharge CA Foundation Coaching Classes), faculty members and students for this achievement.

25/02/2024

HMV students Passed CSIR NET Exam

2 students of Chemistry Department cleared CSIR NET exam with flying colour. Principal Prof. Dr. (Mrs.) Ajay Sareen congratulated the students. She told that Ms. Alka cleared NET, JRF and Lecturership exam All India Rank 100. Navjeet Kaur cleared lecturership with All India Rank 46. She also congratulated Head of Department Mrs. Deepshikha and Dr. Vandana Thakur.

12/04/2024

M.Sc (Physics) Student qualified UGC-NET Exam

Km. Tanuja, Student of PG Department of Physics qualified UGC-NET exam. Principal Prof. Dr. (Mrs.) Ajay Sareen congratulated her and said that she has been a very energetic and enthusiastic student throughout her UG and PG in HMV. She congratulated the student and faculty of the Physics department for this significant success and wished them a better future. On this occasion, Mrs. Saloni Sharma (HOD, Physics Department), Mr. Sushil and Dr. Simmi Garg were also present.

18/05/2024

Successfully completed value added course in Interior Design

Department of Design successfully completed 30 hours Value added course in Interior Design. Students from different colleges joined the course and learnt the aspects of Interior design. Students learnt how to conceptualize, illustrate, and execute design projects. Dr. Rakhi Mehta and Mrs. Misha Sareen was the Incharges of the Course. The course covered basic methods and refined them into more sophisticated skills. Topics covered in interior design course included Construction materials and furniture design, Light and colors in interior design, Building construction for interior designers, Drawing techniques, Furnishings of interiors, Advance building services, Design principles, Space management, Color theories, etc. students received certificates after completing the course.

25/05/2024

Skill Course on Shahmukhi Script completed successfully

A 30 hrs Skill Course on “Shahmukhi Script” was successfully concluded under the series of Skill Courses. The students enthusiastically participated in this course. Multimedia Club of PG Department of Multimedia Hosts Educational Visit to Machinex – 2024

The Multimedia Club of PG Department of Multimedia organized a highly informative visit to Machinex – 2024 for the students of B. Design (Multimedia), B. Vocational & M. Vocational (Web Tech. & Multimedia). The visit provided an excellent opportunity for students to explore the fascinating world of 3D printing and related technologies. Dr. Charanjit Singh, an expert from Modern Manufacturers, Ambala, played a pivotal role in guiding the students through the intricacies of 3D printing and processing. His insights into 3D scanning were particularly enlightening, offering the students a comprehensive understanding of this cutting-edge technology. The visit also included a session at BEE Prints, where students witnessed firsthand the processes of impression and laser printing on various materials such as pens, book covers, and metal. This practical exposure allowed students to grasp the practical applications of these technologies in industries.

PG Department of English organized one day trip to Naina Devi, Virast-e- Khalsa and Anandpur Sahib

PG Department of English organized a one-day trip to Naina Devi, Virasat-e- Khalsa, and Anandpur Sahib. The primary objective was to provide an enriching cultural experience to the students. A total of 54 students enthusiastically participated in the trip, accompanied by Head of English Department Dr. Mamta, Mr. Neeraj Aggarwal, Mr. Parminder, Ms. Yamini and Ms. Himani. The trip commenced with a visit to Naina Devi, a sacred Hindu temple dedicated to Goddess Naina Devi. The students immersed themselves in the spiritual ambience and enjoyed the picturesque surroundings. The next destination was Virasat-e-Khalsa, a museum that showcases the rich cultural heritage of Punjab. Students had the opportunity to explore exhibits depicting the history, art, and traditions of Punjab, contributing to their academic and cultural knowledge. The final destination of the trip included a visit to Anandpur Sahib, a significant Sikh pilgrimage site. The students experienced the tranquility of the Gurudwara, participated in prayers, and learned about the historical significance of the place. It provided a break from the routine academic environment and allowed participants to bond outside the classroom. The cultural exposure enhanced their understanding of the diverse heritage of India.

Principal Prof. Dr. (Mrs.) Ajay Sareen inaugurated this great event and appreciated all students and teachers of Fine Arts Department for their hardwork. Dr. Seema Marwaha, Mrs. Navroop, Dr. Ramnita Saini Sharda, Dr. Neeru Bharti Sharma, Dr. Shailendra Kumar, Miss. Chahat, Miss. Twinkle and Miss. Manpreet were present there.

22/03/2024

HMV organized Field Trip to Chhatbir Zoo

Zoology Department and HMV Environment Club under DBT Star Scheme organised a field trip to Mohendra Chaudhry Zoological Park, Chhatbir Zoo. Chhatbir Zoo is an integral part of Department of Forests & Wildlife Preservation, Punjab and is under the control of Field Director. The highlights of the visit were Lion Safari, Nocturnal House, Reptile House and various other land animals. The students were excited to see a wide variety of animals including White Tiger, Leopard, Cheetah, Bear, Hyena etc. The Zoo provided a great opportunity for students to learn about different species, their habits and habitats. The Dinosaur Park, followed by the Lion Safari proved to be the most captivating spots. On this occasion, Principal Prof. Dr. Mrs. Ajay Sareen gave her best wishes to students to rejoice in the lap of nature and learn interesting facts about animals. Head of Zoology Department and Dean Academics, Dr. Seema Marwaha said that such trips are important because they spark curiosity and enhance students' interest in wildlife and its conservation. The students were accompanied by Dr. Sakshi Verma and Mr. Ravi Kumar, Assistant Professors in Zoology. Student Office Bearers of Environment Club; Yashika, Secretary and Riya, Joint Secretary as well as Class Representatives assisted in coordinating the groups and maintaining discipline. Lab Technician, Mr. Sachin also accompanied the students and assisted in making arrangements for the trip.

26/03/2024

Zoology Dept. and HMV Environment Club Celebrates Organic Holi

Zoology Dept. and Environment Club celebrated Organic Holi under DBT Star Scheme. All the faculty members and students celebrated the Festival of Colours by using natural, eco-friendly colors and flower petals focusing on the health of individuals and the environment. Further to spread awareness and wish everyone healthy and happy Holi, a message corner for teachers and students was set up. Student office bearers of 'Environment Club' Yashika Arora, Riya, Kiran, Gurleen and Bhawna prepared beautiful cards and badges on this occasion. With great enthusiasm, students from different streams took part in the activities such as Flameless cooking and Eco-friendly Rangoli Making competition and made stunning rangolis out of environment friendly materials such as rice, beans, corn flour, leaves, flowers, etc. Additionally, students made vibrant, immunity-boosting meals using natural herbs, citrus fruits, broccoli, bell peppers, ginger, garlic, turmeric, and other components, demonstrating effortless healthy eating. Also, the students prepared natural colours using rice flour, turmeric, beetroot, sandalwood and marigold. Prof. Dr. (Mrs.) Ajay Sareen appreciated Zoology Dept. and Environment Club for the initiative and congratulated students for their efforts to spread awareness regarding use of eco-friendly, herbal and skin-safe colours to avoid the exposure to harmful chemicals. Head of Zoology Department and Dean Academics, Dr. Seema Marwaha, urged the students to inform their loved ones about the risks that artificial colouring products may pose to their health and the environment. Incharge Faculty of Sciences and HOD Chemistry Dept., Mrs. Deepshikha was the guest of Honour and she explained that chemical-based colours are mostly industrial dyes or oxidized metals mixed with oil and include the harmful elements thus motivating the students to use biodegradable materials for making colors and for decorations. Environment Club Incharge, Dr. Sakshi Verma and Co-Incharge Mr. Ravi Kumar guided the students to prepare organic colours and in co-ordinating the various events. The judges for the day were Mrs. Saloni, Mrs. Purnima, Dr. Simmi and Ms. Harpreet Kaur.

30/03/2024

HMV Celebrated ECO-CARE Day

C.V. Raman Science celebrated "ECO-CARE" under the able guidance of Principal Prof. Dr. Mrs. Ajay Sareen. On this occasion, Environmental Awareness was created among the students by organizing Poster Presentation & Slogan Writing competitions in which students from various classes of entire college participated enthusiastically. The theme of the event was Bio Energy, Conservation of Environment, Exploring Ecology and Biodiversity and Waste Management. About 75 students participated with great interest and enthusiasm in both the competitions. In Poster & Slogan Presentation, Ankika of B.F.A Sem II got 1st prize, Rabia of B.F.A Sem II bagged 2nd position and Lavanya and Khushi of B.Sc Sem II got third position in Slogan making, Consolation prize was given to Navreen Kaur of B.Sc (Bio Tech) Sem VI. In Poster Making Competition, Reeva Sharma and Nandini of B.F.A Sem VI bagged first and second position respectively. Shiwani of B.A Sem IV got third position and consolation prize was given to Bharti of B.Sc (C.Sci.) Sem II. ECO Vibes inaugurated at HMV

Amidst the serene ambience of Hans Raj Mahila Maha Vidyalaya, Jalandhar, a beacon of environmental consciousness illuminated the hearts and minds of all present, with Eco Vibes, a vibrant initiative aimed at nurturing environmental awareness among the youth, under the inspiring guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen on 5 April, 2024. In harmonious collaboration with the Punjab State Council for Science and Technology, and supported by the Ministry of Environment, Forest and Climate Change, Government of India, Eco Vibes embarked on a mission to sow the seeds of ecological responsibility. The two-day extravaganza unfolded with an array of enlightening workshops and spirited competitions, captivating the imagination of all participants. Gracing the occasion as the esteemed Chief Guest was Dr. KS Bath, Joint Director of PSCST, Chandigarh, whose presence lent credence to the importance of such initiatives. Dr. Ravinder Khaiwal, Professor of Environmental Health at PGI, adorned the event as the keynote speaker and Presiding Guest. The galaxy of guests, including names such as Dr. Mandikini, Er. Lupinder, Er. VK Kapoor, Ms. Anuradha, Mr. Harjit Bawa, Mr. Sarbjit, Ms. Ramandeep, Ms. Bhoomika, Ms. Rasneet, and Ms. Sarbjit Saggu, added luster to the event with their invaluable presence. The inauguration commenced with the ceremonial lighting of the lamp, followed by the rendition of DAV Gaan, resonating with the ethos of preserving traditions. Principal Dr. Ajay Sareen, in her warm welcome address, highlighted the eco-friendly endeavours undertaken

by HMV. She urged the younger generation to make the earth greener and hence beautiful and sustainable. Dr. KS Bath commended HMV for its pioneering efforts in environmental conservation, while Dr. Ravinder Khaiwal underscored the symbiotic relationship between humanity and the environment. He underlined the challenges and solutions to address the critical issues which are proving detrimental to environment. He highlighted the impact of climate change on human health and advocated for individual action as a potent solution. The event reached its crescendo with the unveiling of 'Life,' the mascot symbolizing the essence of environmental preservation, and a solemn pledge to safeguard our planet. An environment Jugni stimulated everyone to love and save the planet. Prinaipal Dr. Sareen honoured the guest with planter, paintings and mementoes. As the day unfolded, teachers engaged in enriching workshops while participants enthusiastically participated in a myriad of competitions ranging from Poster making, Slogan writing, Rangoli, Quiz, Face Painting, Dress from waste and Nukkad Natak , each endeavouring to leave an indelible mark on the canvas of environmental stewardship. The coordinator of the workshop is Dr. Anjana Bhatia and Co-Coordinator is Mr. Sumit Sharma. Total 896 students from 13 schools and 45 colleges participated in this program.

HMV Organized Industrial Visit to ZIBO Paper Industry (Amritsar)

Under the able guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen, PG Department of Physics and PG Department of Chemistry organized an industrial visit to ZIBO Paper industry, District Amritsar. Mrs. Saloni Sharma Head of Physics Department and Ms. Alka (Assistant Professor, Chemistry department) accompanied 48 students of B.Sc Sem-IV and B.Sc Sem-VI to visit ZIBO Paper Industry (Amritsar),

which is a leading manufacturing of textiles in Punjab. The Unit incharge described the works of various units such as cloth dying jet, drying unit to heating of cloth to remove excess stains of colors. Currently they are producing a special type of paper named as ZIBO paper for printing of different patterns on the clothes. Unit Incharge explained the process of formation of Zibo papers, by coating glue prepared from the raw material on the paper roll and then drying it using sublimation unit. It is due to this coating that the different patterns that are created by design department are firstly printed on Zibo papers then this print is transferred onto the cloth using fusing machine. Unit Incharges also explained about the maintenance of equipment and ethics considered during preparation of final products. Students also visited Durgyana Temple, Golden temple, Jallian Wala Bagh and Galiara.

Celebrations of Mothers Day

The pious love of mother was celebrated euphorically in HMV Collegiate Sr. Sec. School under the guidance of Prof. Dr. (Mrs.) Ajay Sareen. On this occasion, Principal Prof. Dr.(Mrs.) Ajay Sareen conveyed her heartiest wishes on Mother’s Day. She elaborated beautifully to celebrate every day the feminine power of nurturing and nourishing. She emphasised on the profound cultural heritage of India in which we never negate the affection and love of mothers and pay them obedience on all days, not just on one day. To mark the moment, a card making, declamation and poem recitation competitions were also organized. Students prepared alluring and exquisite greeting cards showing their oodles of love towards their mothers. The cards were really a piece of immense love in

which devoted and serene picture of mother was presented in the various forms like of flower, an angel, a nurturer, the best companion and so on. The card making competition was adjudged by the worthy judges – Ms. Upma Gupta and Ms. Julie. The soul felt and extremely eloquent poems were recited dedicated to selfless love of mothers and speeches were delivered covering the power and dedication of mothers. The poem recitation and speech competitions were adjudged by- Ms. Anuradha Thakur, Ms. Renu Walia and Ms. Rashmi Sethi. In poem

recitation the first position was attained by Manya Chawla of SSC 2 (Humanities) and declamation contest was won by Rabjot Kaur of SSC 1 (Medical). The card making competition was won by Ridham of SSC 1 (Commerce).The school co- coordinator Mrs Arvinder Kaur felt elated with the talent shown by the students and appreciated their creativity.

HMV Collegiate Celebrated Bio Diversity Day

For increasing understanding and awareness about the importance, role and issues concerning biodiversity and to connect students with nature, HVM Collegiate Sr. Sec. School celebrated

International Biodiversity Day under the dynamic guidance of Principal Dr. (Mrs) Ajay Sareen. Diverse activities were conducted including poster making, slogan writing, photo with nature, tree plantation and poem recitation. This competition was organized in collaboration with Punjab Biodiversity Board, PSCST and NBA. Students also visited to botanical garden as well as paper recycling unit of HVM to get thorough understanding of bio-diversity. Principal Dr. (Mrs) Ajay

Sareen in her address emphasized that our world is evolving without consideration and the result is loss of biodiversity mainly to our rich flora and fauna. She further said that celebrating International Biodiversity Day every year affirms our resolve and reflects on our responsibility to safeguard the precious heritage of bio-resources for future generations on the earth. She insisted that it is only with a cross-cutting and ambitious approach that we can build a more ecologically sustainable future. Dr. Seema Marwaha, Dean Academics and School Coordinator also added to the importance of biodiversity that only collective human actions can transform current loss by preserving every scrap of biodiversity. Students created vibrant and eye-catching posters and wrote catchy slogans to spread awareness regarding conserving bio-diversity. The poster making and slogan writing competition was adjudged by Mrs. Anuradha Thakur and Mrs Julie. Riya Badola of SSC 2 Arts, Ramanjeet Kaur of SSC 2 Arts, Avani of SSC 1 Medical secured first, second and third positions respectively in poster making competition.
